

WHAT TO DO IF YOU ARE A VICTIM

- Immediately contact your bank and initiate a recall.
- Contact your local FBI Office.
- File a detailed complaint at www.IC3.gov and review additional resources under the “Press Room” link.
- Change e-mail passwords and check your e-mail account for any changes to your mailbox rules, such as Mail Forward, Delete, CC, or BCC.
- Change all e-banking and/or other pertinent passwords, pins, and security questions or answers.

WHAT IS BEC?

Business E-mail Compromise (BEC) is a sophisticated scam using e-mail and/or other electronic communication to impersonate a business employee to fraudulently request payments or personal information.
