

2016 RPAC Tribute

INVESTORS AS OF 12.5.16

The Realtors® Political Action Committee (RPAC) is the best way a Realtor® can protect their business. RPAC is the only grassroots and issues mobilizing force that exists to promote the tradition of home ownership and real estate investment. By investing in RPAC, you are supporting Realtor®-friendly ballot proposals and candidates for public office that understand your industry. With RPAC, Realtors® become active in one of the state and nation's most powerful and effective advocacy efforts, fighting for private property rights, sound tax reform and less burdensome regulation of your business. We thank these leaders for participating in this powerful network that shapes our business by advancing our issues in Washington, Lansing and in local government.
