What is RPAC?

The REALTOR® Political Action Committee (RPAC) is the only political group organized for REALTORS® and run by REALTORS®. RPAC exists solely to support issues important to REALTORS® and the real estate industry.

As an investor in RPAC, you have the power to support our industry and be part of a nationwide network - over 1 million REALTORS® strong – advocating for our profession, homeownership, and real estate investment and development.

Why should I invest in RPAC?

Your RPAC investment supports REALTOR® endorsed candidates at the local, state, and federal level who believe that real estate is vital to the economy, fight to keep REALTORS® central to the transaction, and protect private property rights. RPAC 2 is issue-oriented and works to support and oppose local and state issues and ballot proposals that impact our business.

How do I become an investor?

You can invest at www.mirealtors.com, or contact Michigan Realtors®.
